

*“I would recommend  
Wrights as the best  
company to buy the  
best spa from.”*

*Karen Clark, owner of  
Karen Clark Real Estate  
and a much loved HotSpring  
Vista Spa.*

It's been two years since Karen bought her spa. Karen had a long standing back injury and figured a top quality spa might help. She went to Wrights.

The model Karen owns features HotSprings' unique moto-massage, which gently sweeps two warm jets of water up and down the entire length of your back. Karen soon found other benefits. "...it's a great way to catch up with family and friends. But it's also the best way to relax on my own and escape my busy lifestyle. I use it 5 or 6 times a week."

As for Wrights, Karen Says: "What has impressed me most is the after sales interest they've continued to take throughout the last 2 years. Add to this they are nice people, they are professional and easy to deal with and I'd summarise my experience as first class. *So cheers, Wrights.*"
