

“For service, we’ve never dealt with any firm that does what they do.”

*Jan and Jim Grounds,
Rangiora.*

In addition to Wright’s service, Jim and Jan also love their compact HotSpring Spa’s Solana Triangle, with its back massager (below), and the same ‘bells and whistles’ as top of the range spas.

The words above were spoken by Jim Grounds of Rangiora. What he’s talking about is the outstanding service they experienced when they bought their HotSpring Spa from Wright’s in Christchurch. Wife Jan adds, “They score 20 out of 10 in my book.”

An example: When Jan and Jim were changing homes, Wright’s came out, picked up their spa and stored it for a few months until Jan and Jim moved into their new home.

“Then”, says Jim, “as we were moving into our new home, they didn’t just bring it out and install it, they volunteered to help us move in our heavy furniture and appliances – now that’s what I call service – and way beyond the call of duty.”

Adds Jan, “Nothing is ever a bother – what they say they’ll do, they always do and on time.”

Such extraordinary service has not gone unrewarded. Jan’s cousin has bought a spa from Wright’s. Jan and Jim’s daughter has now also bought a spa from Wright’s. And now, it’s your turn.
