

“Anyone can sell you a product, but whether they will stand behind it years later is another story.”

Yvonne Parker, former owner of Champagne Developments, Champagne Homes and Champagne Finance, now owner of two HotSpring Spas.

Yvonne loves the sensual experience of HotSpring Spas' exclusive back massager.

Ten years ago that's what Yvonne Parker of Christchurch was concerned about when looking to buy a spa.

Continues Yvonne, “I settled on a HotSpring Spa because they are the biggest selling spa in the world and I bought from Wright's as they'd had a good name for service for many years.”

Yvonne loved the spa. And the service. So four years later she bought another HotSpring Sovereign spa (with back massager) from Wright's for her Marlborough Sounds holiday home.

“A recent example of their service is” says Yvonne, “that while up in the Sounds at Xmas there was a hiccup with the spa, so I rang Wright's in Christchurch. One of their staff, on holiday in the Sounds, called around that same day and fixed it.

Now, that again proves Wright's do go the extra mile and give what I love, and that's ‘the champagne’ treatment!”
