

“In more ways than one, we got more than we expected.”

Shayne and Karen Richardson.

Shayne and Karen love relaxing and unwinding in their HotSpring Sovereign spa, with its exclusive back massager.

Around three and half years ago Shayne & Karen Richardson were thinking, ‘a spa would be an ideal way to unwind from their stimulating yet busy dental practice’.

“Upon visiting Wrights,” says Shayne, “their calibre stood out as we were treated with respect and were not sales pressured. Even to the extent of being left alone to relax and enjoy a test soak. So, we decided to buy a HotSpring Sovereign spa, with its unique back massager, from them.”

Adds Karen, “Since then, the service has continued in the same vein, as it’s simply been fantastic – efficient, immediate, friendly with their integrity always shining through.”

Continues Shayne, “ Yet one of the biggest benefits of the spa is something we didn’t first consider. That is, it’s a great social way to spend quality time with our teenage sons.”

Adds a smiling Karen, “ In fact our sons love using the spa so much, we’ve now become well acquainted with their mates.”

Concludes Shayne, “You could say, ‘we got more than we bargained for’....but in the nicest possible way.”
