

# *A story of a second hand spa with first class service.*

*Blenheim residents, Lynn and Bruce Watson - extremely satisfied Wright HotSpring Spa customers.*

*While Lynn loves relaxing in her HotSpring spa on her own, she's also enjoys socialising in it with friends.*

So say Bruce and Lynn Watson who live in Blenheim. You see, in 2000 they bought a 1994 Sovereign HotSpring Spa.

As Bruce explains, "Given the age of our spa and the fact that it was second hand when we bought it, the spa itself is a great testament to the quality of HotSpring Spa as it has continued to last exceptionally well."

"Just as impressive" adds Bruce, "is the outstanding service we have received from Wright's over the years. Blenheim is not exactly five minutes up the road from Christchurch, but the service has always been as if we were."

"So" says Bruce, "we are certainly an example that Wright's stand behind the HotSpring Spas' brand, even 13 years down the track. And they are always a pleasure to deal with."
