

“I’ve got good reason to be smiling.”

Tammy Wells (the ‘Briscoes lady’), North Canterbury.

Tammy’s husband, Michael, reckons, “After a hard days work on the dairy farm, there’s nothing better on a chilly night with the spa steam rising, to lie back and unwind while catching up with our sons, James and Cam.”

“Well, for starters, I’ve got Michael - a wonderful husband and father. Two terrific kids. And...a HotSpring Sovereign spa. From Wrights.”

“Really, there’s nothing quite like the times we all have together soaking in the hot, relaxing water and actually talking to each other without any distractions - apart, that is, from the odd shooting star and the lights of planes landing at Chch airport, in the distance.”

“Three years ago when Michael and I were looking to buy a spa, we really did our homework. It seemed to us to be false economy to buy a cheaper spa and then spend the earth to keep it heated. But what really sold us on a HotSpring Spa, was the polite, friendly, expert advice from Wrights. They really know their ‘stuff’. More importantly they genuinely care about their product and back it up 110%.”

“In short, with Wrights, nothing is ever a problem. So, we know we own the best, from the best - and that’s enough to keep anyone smiling.”
