

“With hindsight, I know we made the right decision when we bought our spas.”

So says Murray Withers owner of Christchurch legal firm, Murray Withers and Associates, when talking about Wright HotSpring Spas.

Murray should know. Both Murray and his son Matthew decided mid-2006 that they both wanted a spa. The search was on. They looked at the merits of all spas. Result?

Murray bought a HotSpring Sovereign and Matthew got a HotSpring Sumatran. Both from Wright HotSpring Spas.

Says Murray, “A HotSpring spa is not the cheapest, but after assessing the spa quality and knowing Wright’s have always had a good name for service, we decided to buy from them.”

“Now, with hindsight, I certainly don’t regret it,” adds Murray. “An example being, that whenever I’ve rung to query or clarify something, they’ve answered my questions over the phone. Best of all they’ve continued to treat me as a VIP.”

Murray’s HotSpring Sovereign spa (with an easy lift cover cradle) along with his canine mate, Roxy, take pride of place at home.
